## Commemorative Hardbound Book

### 75 Years of Tradition and Service

The Beavercreek Township Fire Department has a long history of service beginning in 1946. Throughout the past 75 years, many momentous events have occurred that have made this community what it is today. This custom, hardbound book with colored prints is meant to document the growth of the department from 1946 to what we experience now and preserve information about how the people, equipment, buildings, and apparatus have changed. It will include photos, news articles, memorabilia, and stories collected as a tribute to the men and women who have served with the BTFD during the course of that time.
